This year has been remarkable for the institute and Placement Cell, as it is Online due to Covid-19. We have set a new record for ourselves by placing highest number of students in TCS, TIAA ever till date. This couldn't be possible without focused and relentless efforts of entire Training and Placement team.

It is my pride and privilege to share the facts about placements. I express my sincere gratitude to Principal, Management, all faculty members, Soft Skills Trainers, Aptitude Trainers, and TNP Coordinators, who have extended their co-operation to the T & P Cell in accomplishing its Endeavour successfully.
